ALLEY

The Origin of Peacock Alley

A famed Waldorf Astoria tradition, Peacock Alley is an impressive signature lounge with all the signs of the magnificent plumage and parading that is assimilated with the Peacock. A delight for all those that are captivated by magic. Serving the world's finest coffees, teas and light bites.

Peacock Alley is also home to a signature Waldorf Astoria attribute, one unique legendary timepiece, which is the exquisite clock designed and built by Smith of Derby. A family of clockmakers, who for over 300 years, have created and cared for some of the world's most recognized public clocks.

The grand lobby clock at Waldorf Astoria Ras Al Khaimah

Has been exclusively designed to honor the regional Arabic culture and includes the five daily prayer times.
