TUESDAY
DECEMBER 28TH

Enjoy an evening in CODEX with an exclusive 6-course curated menu and wine pairing in celebration of the season.

CODEX is a celebration of all things Mexico helmed by Executive Chef Victor Palma with a goal to create an immersive culinary journey.

Guests are greeted at the front entrance by a symbolic ancient Huichol cultural ritual that gives thanks to the four points that make up oneself (North, South, East and West), this allows guests to be present in the current moment. Following the entrance, diners are welcomed into the open-air restaurant to embark on a unique culinary adventure, with either a front row seat to the open kitchen, or whisper views of mangroves and the sprawling beach.

An experience at CODEX is one-of-a-kind. Plan to arrive early for cocktails at the fire in CODEX lounge.

THURSDAY DECEMBER 30TH

Conrad Punta de Mita throws a beach party for food lovers that want to experience the food culture traditions of the Nayarit region.

Get your camera ready, as the fishermen arrive with the surf and their catch of the day directly from the local fishing village of La Cruz Huanacastle. Executive Chef Victor Palma welcomes the fishermen and their bounty, while he explains the plans for the grill that will be enjoyed by all. Then it's showtime, and Chef's expertise is on display for all to see and taste. You will experience the freshest seafood and ingredients as you savor a cold drink and ceviche from the catch, and interact with Chef as he prepares your lunch from sea to table.

IN CONRAD SPA

The ancient Huichol culture of Mexico is admired for its magnificence and mysticism and is still practiced today.

At **Conrad Spa**, our treatments are inspired by the ancient Huichol vision of the world. We invite you to discover your inspiration through meaningful therapies and ceremonies that evoke internal reflection and balance, assisting your transition into a more relaxed state.

Temazcal:

SOUL, MIND & BODY PURIFYING EXPERIENCE

*B*egin your journey to self-discovery by purifying and healing your mind, body, and soul with a Temazcal ritual that the Huichol indigenous people from our region of Mexico have curated for generations.

The Huichol Shaman performs a cleansing before each guest enters the Temazcal, a dome-shaped stone structure. An herbal steam along with chanting and meditation are part of the 4-door purification ritual. After this majestic ceremony, enjoy a relaxing swim in the seclude spa pool and refreshments.
