Sustainability

By 2030, Hilton is committed to doubling its investment in social impact and cutting its environmental footprint in half through responsible hospitality across its chain. As part of our overarching commitment to conducting socially and environmentally responsible hotel operations in the meetings and event setting, Hilton Malta offers a comprehensive range of options that are environmentally friendly; from providing notepads on request, to using glass water bottles or recyclable water tanks and replacing plastic straws with paper straws, every little bit helps in conserving our environment.
