Other facilities available within the club are 2 squash courts, outdoor tennis court, Toni & Guy hair studio and Myoka 5 Senses Spa.

Sustainability

By 2030, Hilton is committed to doubling its investment in social impact and cutting its environmental footprint in half through responsible hospitality across its chain. As part of our overarching commitment to conducting socially and environmentally responsible hotel operations in the meetings and event setting, Hilton Malta offers a comprehensive range of options that are environmentally friendly; from providing notepads on request, to using glass water bottles or recyclable water tanks and replacing plastic straws with paper straws.

We have also invested in a project to provide fresh potable water for consumption in all the guest rooms free of charge. This venture is resulting in a reduction of single use plastic bottle waste by more than 500kgs yearly.

Our commitment is to continue implementing such improvements in order to provide you with a better experience and safeguard our environment.
