

ISLAND ACADEMY

NATURE EXPLORATION AND ADVENTURES

Island Academy is a tailored adventure and exploration program for children between 5-12, looking for new and active experiences. Go tortoise feeding or ray spotting, learn about flora and fauna of Silhouette on Plant Trail hikes, find treasures of Silhouette on scavenger hunts and play freely with outdoor and beach games.

Let's Head Outside!

Children use all their senses when they are able to immerse themselves in creative play and exploration in nature. It is the place where they build their sense of wonder and connection with the environment. Frequent, informal experiences in nature at a young age can develop life-long awareness and sensitivity to the environment.

ELITE
