

WELCOME TO HINA SPA

When life demands the exceptional, Hina Spa at Conrad Bora Bora Nui Resort delivers a luxury retreat for those who appreciate the finer things in life. Perched on a hilltop, Hina Spa is a haven of comfort and beauty with breathtaking views. This soulful place, nestled in volcanic rock, will bring you energy and serenity.

Hina Spa is named after the goddess Hina. In legends, Hina is always presented as the ambassador of beauty, charm, sweetness, well-being and joie de vivre. On most islands and in different versions, she is also said to be the origin of the coconut tree, the indispensable nurturing tree of all Ma'ohi people. Hina, whose presence can be felt in the shimmer of a moon-ray or in the rustle of a coconut palm, remains the symbol of serenity and well-being.

Our Polynesian spa offers an extensive menu of treatments designed for singles, couples and for the expecting mother, and uses the finest natural products including Biologique Recherche , a luxurious French biological skincare line with over 40 years of experience in developing the most powerful and effective skincare products in the beauty industry. One of the unique features of the spa is the relaxation lounge, fully equipped with a sauna and steam room, designed to reunite body and mind before and after your treatment. Hina Spa also offers indoor and outdoor treatment rooms, with stunning ocean views.

Hina Spa is unparalleled in Bora Bora, offering luxury products, unmatched views, world class service and treatments.
