

A nighttime photograph of the entrance to the London Hilton on Park Lane. The building's facade is dark, but the entrance area is brightly lit. A large, illuminated sign above the entrance reads "London Hilton on Park Lane" in a blue, serif font. The entrance features a central glass revolving door and side glass doors. To the left, there is a small shopfront with a sign that says "PERV". The scene is overlaid with a digital snow effect, with many small white dots falling across the image. A thin gold border is visible around the entire image.
