LET THE

Year End Magic

BEGIN

Come one, come all. Mango House Seychelles brings oceanside revelry, proudly Creole and globally inspired cuisine, perfectly poured cocktails and rhythmic beats to our free-flowing, celebratory ode to the elements. Dance, feast, and play – until your feet carry you home.

TO CELEBRATE

Light it up

One. Two. Three. Let there be light!

To set the mood in motion, we'll illuminate the night skies with a lighting ritual. Starting on one side and working to the next, our festive lights will be switched on as the House flickers into action.

Chase this glow until you find our pop-up bar in the Drawing Room, where a DJ will await to entertain with his special mix of music.

KOKOYE

Attendance at the Koko Red X-Mas Party at Kokoye requires that you wear
a splash of red – no matter how delicate, decadent, or daring. Specially
curated Christmas cocktails will be poured from a (very) impressive selection
of rums and gins that wholly complement the mixologists' seductive infusions.
All the while a DJ will bring the beats – and you – to the dance floor.
