

Kids Menu

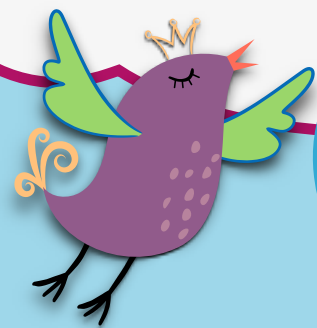

FOR THE PARENTS

At our restaurants we have a well balanced children's menu available, designed to fulfil the needs and wants of our younger guests.

The menu has a number of all-time favourites and the majority of our dishes are prepared in a healthy way. Special attention is devoted to the nutritious value of the ingredients used.

Should your child have any allergies, please let us know and we will do our utmost to find a suitable solution. For our younger explorers, pureed options are also available upon request.
